THE FREIGHT NO. 30 OF CINA I LIMA PERU

## CONTRACT CONDITIONS AND INSTRUCTIONS FOR THE CLIENTS

1. - As already indicated in the front of this document, FREIGHT FORWARDER acts exclusively as Forwarding Agent and not as Carrier; therefore the task entrusted to her consists in stipulating, in the name of same FREIGHT FORWARDER and for account of the Client, the contract of carriage with the air Carrier (or with the first air Carrier in case of transhipment whether contemplated or not).
2. - Whenever for the sending of the goods from the Client to the final Consignee will be necessary or even only more suitable for a better achievement of the service, to have above goods to effect part of the trip not by air, FREIGHT FORWARDER is authorized, in force of the appointment entrusted to her, to draw up one or more contracts of carriage with Carriers other than air Carriers for the execution of said trip.
3. - The contracts of carriage will be stipulated by FREIGHT FORWARDER at the conditions established by the "Air Way Bills" or by the carriage conditions of the single Carriers, which FREIGHT FORWARDER is explicitly authorized to accept. Moreover, the contracts of carriage will be subject to national and/or international laws applicable at each time for the specific case also in relation to the means of carriage used.
4. - Particularly, it is agreed that international road trucking carriages are subject to the Geneva Convention, dated 19.5.1956, otherwise said C.M.R.
5. - The contract between Clients and FREIGHT FORWARDER is governed on the other hand for whatever else not contemplated in these conditions by the Italian Civil Law and in particular by its code articles from number 1737 to 1740.
6. - The mandate entrusted by Clients to FREIGHT FORWARDER includes the selection of Carries (by air or not), means and modalities of carriage. In execution of such mandate FREIGHT FORWARDER is bound to operate in the best Client's interest.

7. - Only in case of specific written instructions made time by time by the Client, FREIGHT FORWARDER will issue value declaration to Carries or will insure the goods.
8. - Compensations due to FREIGHT FORWARDER previously agreed upon with Client as a total global amount, are inclusive of charges and commissions, all premiums, rebates and tariff advantages that FREIGHT FORWARDER may obtain from Carriers, Agent, Brokers or other to whom FREIGHT FORWARDER will confine the carriage and any possible accessory operations, will belong to FREIGHT FORWARDER.
9. - The signature of FREIGHT FORWARDER on the front of this document implies the acceptance of the mandate entrusted to her at the conditions herein referred.  
**Important:** As the task of FREIGHT FORWARDER will end with the conclusion of the contract(s) of carriage with Carriers, all reserves concerning the conditions of the goods at destination and the relevant claims should be presented to the responsible Carriers(s). To this purpose attention is drawn on the fact that the Warsaw Convention dated 12.10.1929, whose regulation applies to most international air carriages, contemplates that in case of damage to the goods all reserves are to be made, liable to the forwarder, immediately upon the discovery of the damages and in any case not later than seven days from the delivery of the goods. In case of delay in delivery, claim is to be submitted within ten days starting from the date of consignment being put at the disposal of Consignees. (Above periods have been extended respectively to 14 and 21 days by the Protocol of the Hague dated 25.9.55 concerning some modifications to the Geneva Convention, however, as the Protocol has not yet been endorsed by all members of the Convention, it is advisable to comply with shorter periods indicated by the Geneva Convention.
